I thought this would be a fairy tale  
You were the god I believed in  
I worshipped you 'cause you were so beautiful

You were too perfect  
You were the savior of my cold nights  
You were the story I wrote  
When my psychosis turns into my reality

Your touch burns in my skin  
Your image lingers in my mind  
You were the eyes I looked through  
Now I'm blind in this path

\*I can tell you the thoughts I have  
When I'm sitting in the dark corners of my room

Tonight I'm lost  
My room is full of ghosts  
And I'm still waiting for an anchor  
To take off my crown of thorns

My suicidal thoughts make me feel panicked every  
time I hear your name  
I want to scream but I'm too panicked  
In my mind I find a way to the light  
In my mind I find a path to your arms

\*I can tell you the thoughts I have  
When I'm sitting in the dark corners of my room

In my imagination I can take you to my room  
To sleep together by ourselves

\*I can tell you the thoughts I have  
When I'm sitting in the dark corners of my room

\*I can tell you the whispers I hear  
When I'm sitting in the dark corners of my room

\*I can tell you the dreams I dream  
When I'm sitting in the dark corners of my room
