You were all I wanted  
You were all I dreamed of  
Holding my heart in your hands  
You ran away

You were everything for me  
You meant everything to me

You're not the one I thought  
You can keep running away with your fears  
You're not the one I love  
So don't come back in tears

Why don't you just go away  
Don't kill my dreams  
Just close your eyes and go away

Why did you give up  
Maybe there's no answer  
Why did you give up  
I thought there's no answer

You're not the one I thought  
You can keep running away with your fears  
You're not the one I love  
So don't come back in tears

So don't come back in girly tears  
So don't come back in stupid tears

You're not the one I thought  
You can keep running away with your fears  
You're not the one I love  
So don't come back in tears
