Last night I dreamed you were dying
I saw your body covered in blood
And there was nothing I could do

I went to your house
Nobody was there
I looked for you everywhere
I even asked your friends
They told me you weren't ok
I didn't know what to do

And you were there in front of me
Holding my hand
I couldn't breathe when I saw that look in your eyes
And I knew there was nothing I could do

I walked through the hall
Where I could find your room
I saw you laying on your bed
And there was nothing I could do

And you were there in front of me
Holding my hand
I couldn't breathe when I saw that look in your eyes
And I knew there was nothing I could do

Me preguntaste si te recordaba
Pero desperté
Todo fue un sueño

Last night I dreamed you were dying
I saw your body covered in blood
And there was nothing I could do.
