If you had known I would be great
You wouldn't have walked away
I cut myself to see if my heart still beats
Then my nails torn your flesh
Your ghost still wanders in my head

*I want to save you
I want to tear out your heart
To hold it and dream

*I want to quit you
I want to hate you
Then I will sleep again

If you had known I would be part of you
You wouldn't have harmed me
I'm becoming blind in my belligerent mind

*I want to save you
I want to tear out your heart
To hold it and dream

*I want to quit you
I want to forgive you
Then I will sleep with out hatred again

**I want to save you
I want to tear out your heart
To hold it and dream

*I want to quit you
I want to forget you
Then I will sleep again

*I want to reach you
I want to be a landscape in your mind
Where you can exist

*I want to hurt you
I want to mutilate
