Nothing in this forest left to die
Blachened sky - Rites of Kandar
A field of darkness opens before your eyes
Night of endless pain - Rites of Kandar
The sleep of a thousand years has been disturbed
Time has come - Rites of Kandar
Close your eyes as the killing must be done
Awaiting the hour - Rites of Kandar
Purgatory, wait for me
Heathen God, they can see
Children's blood, I'm the one
Heathen God, I want you

From the depths of the ocean
Rising from the sea
Black is the colour of the hour
Into the battle life
Praying for his death
The One, he has to die
Creep in his blood
Make the fires burn
Our souls, will be has one
Under one God, so kill no love
Decree of damnation lies upon this ground
Horrid destiny - Rites of Kandar
The souls of the dead are nowhere to be found
Gods of the green - Rites of Kandar
