Have we got a telethon for you coming soon on mtv! a  
rockin' bankroll  
Extravaganza featuring all your vigilante rock stars!  
sammy  
Hagar??sylvester stallone??clint eastwood. it's so  
important we've even  
Exhumed the bodies of lynnyrd skynyrd! this ain't no  
sissy concert to raise  
Food for the needy; this concerts whipped up the  
american way to raise  
Money for guns for the greedy! so stay tuned and dig  
in those heels  
For??usa for south africa!

It's usa for south africa 'cause those poor, sex-starved  
riot battalions  
Need more machine guns, more tear gas, more nerve  
gas, more electric  
Fences for those prison camps they call "homelands."  
and who's going to  
Give it to them? we are! every one of us! everytime we  
go to the bank.  
Everytime we buy food at theftway. or those fancy  
chrome wheels for your  
Hot car. it's usa for south africa!

Don't delay! apartheid is a big business! what would  
these american ladies  
Do without those diamonds? you heard the white  
house??don't miss it! have  
You're rich parents' money ready, world hunger's gone  
forever once your  
Check's in the mail when mtv and the rock and racism  
connection bring you  
Live, from sun city, usa for south africa!
