Watch the priest  
Walk down the aisle of death  
With his little fucking followers  
Watching to the very end of his final command.  
Their salvation will lie  
As they fall upon themselves  
And the dog will die.  
Bleeding you cum.  
To the black cross.  
Fury released.  
Watching christ die.  
Watch the virgin in white.  
Blessed be the little fucking whore.  
I  
Want to fuck her up the ass  
Till she bleeds in my mouth.  
Look at the little bitch cry  
Like she never had it before  
With the cross up her cunt.  
Church lies in ruin.  
Corruption ends.  
Children of god.  
Fall unto sin.  
Beelzebub arise.  
Watch the priest  
As he takes the altarboy in the back.  
Angels fly by like stupid pieces of shit,  
Telling all to read the fucking book of god,  
All it is a lie.  
Blasphemic praise.  
The whores on her knees.  
When your fucked hard.  
Jesus you scream.  
Watch the priest  
As he takes all your hard earned cash,  
So he can build his fucking house of the damned.  
Millions of fucked gods to control feeble minds.  
Fucked like sheep.  
God will die.
