Jesus was a terrorist  
Enemy of the state  
That's what the Romans labeled him  
So he was put to death

He died for his beliefs  
What's changed today?

Today bible-thumping cannibals  
Reap money from his name  
Buy cable networks & power  
With old ladies' checks

If Jesus saw Pat Robertson  
What do you think he'd say?  
Tax free then re-write our laws  
And sick 'em on you  
Women don't control their bodies  
TV preachers do

Censor everything from bathing suits  
To science books  
From the schoolroom to the bedroom  
They want our thoughts - or else

They treat us like the Romans  
Used to treat the Christians  
Even some church-going folks are scared

Modern catacombs of fear  
Built with money, power, and threats  
Rock 'n Roll is labeled porn  
Sell a record, you're under arrest

Instead of fighting AIDS  
They try to stop us having sex  
They brag that they won't quit  
Till they take dominion over our lives

Is freedom of speech such a terrorist act  
Is spiritual peace such a satanic threat

Believe what you want  
But we'll fight to keep  
Our heads from being cemented in your sand
