How can I live forever an angel with demon wings.
Dear mistress I'm afraid it's not as pleasing as I'd like
to hear.
Burn my wings to fetch a kiss from this maiden, I still
remember her lips so sweet their tainted kiss, loveless,
my heart is dead.
This is the last time the curse of my own flesh the love
and her disdain...
This drifting heart has finally sailed and taken it's toll
on me, and my heart will never heal.
So the lonely hearts are drifting further out towards me
because I'm buried at se
