Her deadpan face. Her deadpan face.  
Her deadpan face. Her deadpan face.

I look into her eyes.  
I wonder if she likes me.  
I look into her eyes.  
I see a reflection of me.

Her deadpan face. Her deadpan face.  
Her deadpan face. Her deadpan face.

I fear her insides.  
I sweat.  
I can't stand it anymore.  
I stand, I leave this place.

I walk home in the rain.  
I can only see her... face.  
Eyes fixed on me.  
Her deadpan face.

Her deadpan face. Her deadpan face.  
Her deadpan face. Her deadpan face.
