She passed out at my parents dinner
You got to love her
She screamed at my dad that i'm a winner
She really digs me
Shes scared the house might fall on us
while were sleeping
Shes scared that we are going nuts
thats whay i'm thinking

WHOA YEAH
WHOA YEAH

{PRECHORUS}
She takes pot to come down
yeah coke for the confedience
All kinds a pills if she had the money she would get
them
Huffing for a challenge
Acid for the love of it
AND AND AND AND AND drinking just for fun!

{CHORUS}
My girlfriends on drugs(3 times)
Her brain is going, going, going, going, gone
She swears that cat is stealing our money
you got to love her
When she sees a cop she will burst out laughing
shes going crazy
When I put her to bed she says thank you superman
I think I like it
She showed up at my work on something...she
screamed
I'm a DAISY

WHOA YEAH
WHOA YEAH

{PRECHORUS}

{CHORUS}-3 times
My girlfriends on drugs!
Shes gonna die die die die(3 times)

Her brain is going, going, going, going, gone
