Good morning mr. president
Yes, IÂ've seen you on tv
IÂ'm excited youÂ're gonna change (change) my life
Yea, what you say sounds good to me

Hey hey president!
Yeah you president!
YouÂ're full yeah, youÂ're full of shit, yeah, shit, yeah,
yeah youÂ're full of shit!

What the hell are you doing in there?
Wah, not another speech for me
Your neutral voice, and cold robotic stare
Man, you donÂ't care about anything

Hey hey president!
Yeah you president!
YouÂ're full yeah, youÂ're full of shit, yeah, shit, yeah,
yeah youÂ're full of shit!

Hey hey president!
Yeah you president!
YouÂ're full yeah, youÂ're full of shit, yeah, shit, yeah,
yeah youÂ're full of shit!

Guilty, guilty. (Guilty!)
Guilty, guilty. (Guilty!)
Guilty, guilty. (Guilty!)
Guilty, guilty. (Guilty!)
Guilty, guilty. (Guilty!)
Guilty, guilty. (Guilty!)
Guilty, guilty. (Guilty!)
Guilty, guilty. (Guilty!)

Government says, "DonÂ't do drugs."
Makes the laws then arrests us all
But all day long, the words are you see,
We are an expense
Its not them, it's me

Hey hey president!
Yeah you president!

YouÂ're full yeah, youÂ're full of shit, yeah, shit, yeah,
yeah youÂ're full of shit!

Already slaves, got us locked real tight
Ten hours a day, too tired to fight
You got us buying, better money and drink
Ah man, no time to think

Hey hey president!
Yeah you president!
YouÂ're full yeah, youÂ're full of shit, yeah, shit, yeah,
yeah youÂ're full of shit!

Hey hey president!
Yeah you president!
YouÂ're full yeah, youÂ're full of shit, yeah, shit, yeah,
yeah youÂ're full of shit!

Hey hey president!
Yeah you president!
YouÂ're full yeah, youÂ're full of shit, yeah, shit, yeah,
yeah youÂ're full of shit!

Hey hey president!
Yeah you president!
YouÂ're full yeah, youÂ're full of shit, yeah, shit,
yeah...YEAH YOU'RE FULL OF SHIT!
