You grow up
you grow old
you fucking die
look at you, you say you're grown
please tell us what you know
what you had is gone
and you say we're wrong
just because we don't fit your fucking mold
you grow up, you grow old
you fucking die
you take a drink you know what life's about
i know myself i see we're not the same
more than your edge, you've lost yourself respect
we're gonna look back and laugh at you

GROW UP! i don't want to
GROW UP! i don't want to
