Thanks for all the times you were never there
thanks for all the times you never cared
im no worse than you, i know your past
so take your opinion and shove it up your ass
your friends talk shit, but not to your face
the good memories are easily replaced
i've fallen down, i try to get back up

its friends like you that try to hold me down
all the times i stood up for you, FUCK YOU
you say i dont deserve a second chance
how many chances have you got
what can i say, what can i do
to prove myself to you
you know what i dont have to prove anything to you
FUCK YOU
