Here i go again  
im going back on what i said all over again  
is this how its really gonna end  
i spoke on an impulse and now its fucking gone  
the pictures from my memory are erased  
to spend my days alone is what i face  
i broke my heart on my own  
there's nothing left to say  
because like a coward i ran away

it was good but now its dead  
i cant understand whats in my head  
didnt try to make it work  
i gave up and if eel like a jerk  
the bond that once was strong  
its gone, and now you've moved on

THE BOND THAT ONCE WAS STRONG  
ITS GONE. AND NOW YOU'VE MOVED ON
