iÂ'm sick of all the sellouts in the scene / iÂ'm sick
of kids who donÂ't know what it means / iÂ'm sick of
kids who stab me in the back / itÂ's
about time that we get rid of all these rats / youÂ've got
a problem / youÂ've got no clue
what we are saying / and what we do / iÂ'm sick of kids
who think itÂ's a game / they
think itÂ's just a way to get some fame / how long will
we tolerate this joke / these
idiots must be stopped because iÂ'm about to choke /
youÂ've got a problem / youÂ've got no
clue / what we are saying and what we do / turn off the
lights / but iÂ'll still see / not
the way things are right now / but how this could be
