Throw your hands up if you gettin down tonight  
Throw your hands up if you gettin freaky tonight

Now don't be shy see you twirkin over there baby  
The way you bouncin work your hips drives a man crazy  
Now you can get real freaky still be a lady  
So bring it over here, over here, right here baby  
I see you slide across the floor with that look in your  
eye  
I'm tryin to get to the center of your creamy thighs  
Cause I'm a playa, I do what the playas do  
Why don't you come by my house and bring your  
homegirls too  
So we can have a pool party, bikini's and skins  
Alazay's, moet, who got the hen  
Let the party begin, all over your body  
Rowdy rowdy party, everybody gettin naughty

Do you wanna come home with me tonight  
Get down, get freaky with me tonight

Say that, I like that, you know that I want that  
Believe that, in fact you know me  
Mister hit em up, I love to get em up  
Baby doll if it's personal between us,  
Hold your breath, I might lick em up  
Sike, hold your flesh tight when I approach ya  
Lil kim couldn't coach ya, leave you with your legs  
shakin

I love slicin cake, take it blow my candles  
Don't let the handle on my s-4 provoke ya  
I'm like oscar de la hoyo  
Boxin in your water like biggie smalls  
After tonight, you wanna have my baby  
But slow your roll lady  
And ride the tank, I'm a do what he can't

We can do it in multiple positions  
I'll outscrew any other competition  
Beat it up like a boxer in submission  
Leave you lyin like you need a mortition  
Bring your girlfriends hun, I got plenty to go around  
I wear hundred bone, got beats by the pound  
Aint no use in frontin cause you already know  
Your homegirl told you, I'm a actual pro  
I love you long time cause I'm on the ginsing  
We get on the floor after we bust the bedsprings  
I'll make you sing, orgasmic screams  
And when your fantasies, I'll fullfill your dreams
