Chorus: [Big Ed] (Mo B. Dick)

Fuck who you wanna fuck (Fuck who you wanna fuck)  
at the Fuckfest  
Suck who you wanna suck at the Fuckfest  
Eat who you wanna eat (Eat who you wanna eat)  
at the Fuckfest  
Can't go meat to meat at the Fuckfest  
Fuck who you wanna fuck (Fuck who you wanna fuck)  
at the Fuckfest  
Suck who you wanna suck at the Fuckfest  
Eat who you wanna eat (Eat who you wanna eat)  
at the Fuckfest  
Can't go meat to meat

[Big Ed]

My homegirl Chyna called me at 11:07  
Says she has a treat for that will make me feel like  
heaven  
I ain't trippin' cause her ass is tight  
Plus it's been a day and a half since I laid the pipe  
She got big titties, big ass, thick thighs  
Work it so good it'll make a grown man cry  
Chocolate, flexible, plus a scorio  
She loves it from the back and she can ride the bucking  
bronco  
How 'bout that there?  
Hung up the phone and my dick beat me outta the chair  
Shaved, showered, got dressed up in the BM  
Got the gat for haters, Jim-hat to catch the semen  
Forting on a 40  
Got to Chyna's house time to get naughty  
So I rung the doorbell, she opened the door, in lingerie  
Had fresh food, whip-cream on a silver tray  
Walked in locked the door behind me  
The high heels that she had on titled up her hiney  
I had on sweats so my dick buldged out  
She put her in my sweats and said "What's it all about  
her?"  
I said "I come to knock it out"  
She made me sit down and straddle me on the couch  
Titties in my face, griding on my dick

She started licking on her nipples and rubbin' on her  
clit  
Now she's sucking on her fingers  
She has a surprise for me and she can't wait for me to  
meet her  
Wait a mintue, HER?, then the bedroom door opened  
The girl that walked out was so hot that she was  
smokin'  
Now my dick is hard as brass coltins  
"Oh that's your boy's old lady, I thought that was a  
golden"  
Man the only thought I had was long strokin'  
She walked up and spread her pussy wide open  
Man high heels do something to a nigga  
The way it prompts up everything on a female figure  
This was built like a world class winner  
Pretty face, caramel, so fine she could be dinner  
"Hi, I'm Angie" "Nice to meet you baby"  
"Big Ed, huh?" "Shit it's all gravy"  
But this my dick was out  
And Chyna had that deep pistol working in her mouth  
Angie got alittle bit jealous  
My girl Chyna's a hot dog, but shit Angie's the relish  
They started sharing the dick

Back and forth, back and forth, and Angie kept it  
Chyna worked her way behind Angie  
Walked to her room, her ass switching in them G-string  
pannies  
Angie sucks a hellafide dick  
Why she sucks on the balls, she strokes the meat with a  
twist  
"Oh shit yeah slob on it"  
She wrapped her tits around the shaft and she twisted  
the knobs on em  
Titty-fucking while she sucks my dick  
But leave it up to Chyna for the real freaking shit  
She came out the room with a bag and a grin  
I looked at her and said "Let the games begin"  
Chyna manuvered Angie on to the floor  
Angie kept sucking, facing me on all fours  
Chyna started getting Angie from the back  
The way Angie sipped I thought she was having a heart  
attack  
Chyna reached in the bag  
Pulled out a strap-on dick and stuck her tounge in  
Angie's ass  
Now that's just perverted  
"You like that?" "Yeah go ahead and hurt it"  
She put on the dick, grabbed Angie's hips  
Inserted it, and started working it, and working it

Wear the motherfucking ass out  
Angie stopped sucking dick and started biting the  
couch  
Now I'm looking like "OH SHIT!"  
Real life porno shit, a bitch banging a bitch  
Jumped up and put the condom on my dick  
KY'ed Chyna's ass and starting looking for some shit  
6 9ing, multiple positions  
Everybody cummin', no intermission  
Big thick stickin', fuckin' in the kitchen  
Whip cream everywhere, everybody lickin'  
It went on like this all night  
When I'm finished with them, look like they just lost a  
fight
