Kick cock the fo' mack, pick up the keys beneath the do'  
mat

Watch the pigs on horseback riding, secretary at  
Leave you by the Marriot, my pussy cats found a rat  
Don't over react, we'll bring the black macks hit em  
then evac'

I let my do' stack, see I'm the quarterback if the  
attackers try to sack

I hit em with the block in full backs, when I attack  
Niggaz found the slow packs, bust black in combat  
But you should know that, my pussy cats work the clubs  
where the ballers be at

Chit chatting about putting bricks, where these squash  
be at

Got em holding the cat, so dark and call a boo black  
Dipping like a acrobat, sucking and make you hunch  
back

They told me that we got some new niggaz, in the  
habitat

Trying to overthrow this diplomat, ready to swing like  
he at bat

A nigga named Blackjack, trying to make his transact  
He say he fucked the forces, hit em with the thunder  
clap

So I cocked it back counter attack, leave em in the  
coldesack

Fuck if it's that, I'm quick to strike like a diamondback  
These niggaz ain't about combat just irritate like nats,  
gotta hit em with the venus flytrap

[Hook]

I'm scared of no nigga, we can go to war nigga  
Every nigga think they the baddest, to these hollow tips  
nigga

I'm scared of no nigga, treadmill niggaz running in  
place

So what you got a vest, I'ma shoot you in the face  
I'm scared of no nigga, I don't care about your past  
How many you blast, cause fucking with me you ain't  
gon last

I'm scared of no nigga, jump in the water if you wanna  
Don't say I didn't warn ya, you fucking with parranhas

[Big Ed]

Sitting back two black gats, one by my nutsack  
The other on my lizzap, he pulls up in the Cadillac  
He's fucked up off the cognac, watch him smoke a  
twen' sack  
He passed the bud gave me dap, I hit it passed it back  
He got the eyes of a maniac, I told him that  
Now the cat, got the niggaz by the laundromat  
A lil' runned down club where I slung crack, pigs tried  
to end trap  
Guns clap, bust at them bitches with the get back  
When I got back, flipped the game like a flapjack  
Tried to rack up bitch niggaz, make me switch back  
Murder tack get the automat's, we stole a pint of yack  
The pussy cats got the rat, astroners bring the mouse  
trap  
Nigga we harder than curdle backs, make you spit up  
blood and gurgle that  
From the drama I began, niggaz scat  
Say my name to be like where at, from rain get a snow  
cap  
Ninphomaniac done dipped in zodiac, they use to day  
lapse  
Rocked the lines in red like she was gift wrapped, I use  
to hit that  
Fucked her in her ass crack, cause she loved the deep  
impact  
She's in the club with nine cats, she asked where we at  
We on our way, just don't let the niggaz extract

[Hook]

[Big Ed]

Got to the club pulled around back, bouncing they pack  
I hit em with the land gat, ha now you got cataracts  
He left the backdo' cracked, V-90 cocked the mack  
back  
Walked in heard two females, up pass the back  
Now reverse that blow back, I'm bout to cause a mishap  
I'm killing anybody, smelling fishy like a hubcap  
Now there go Bobcat, I call a pyromaniac  
Cause my nigga hit her bad back, she burned him in  
the sack  
Approached my wildcat, body full of tats say don't  
mash a cat  
She'd love for you to beat that, why cat  
Let the bitches eat that, I freak that  
Wrapped a brother day on some payback, but she don't

know that  
Half Black half Jap, ride your dick if you a cardiac  
Fuck all night, can't sleep like insomniacs  
I told her I'ma holla, getting side tracked  
Where's that hoe Night Cat, been in ten minutes she  
starting to heat up my thermostat  
Turned around, where the fuck is V at  
Speakers pop and gave him feedback, mic in hand on  
stage a Night Cat  
Then Snow Cat, I played the war like it's go plat  
Up both straps, ready to counter act
