I don't know where I'm going
And I don't know where my life will take me, but
I'm happy now happy as I've ever been, oh yeah!

I made it here all on my own though there are
Some who'll claim to be the one who made me
I'm just saying don't need no help from you, oh no

'Cos I'm here, I'm me, I'm free let me be
From a council flat to a B&B
I've been working hard now I got a place of my own

Oh oh yeah look at me now
I've come a long way now I know that I'm alive oh
Oh oh yeah look at me now
I've come a long way since 1975
