Runnin' down the highway thinking to myself
Wouldn't it be nice to get away get away?
Have you ever thought how easy it could be
If you were someone else get away get away!
Dreaming of a life far away from here
What a crazy idea get away get away!
But I think I must stay with my crazy thoughts
Oh what a mess I'm in get away get away!

WOULDN'T IT BE GOOD TO GET AWAY GET AWAY! [x2]

Going round in circles getting nowhere fast
Gotta make a move and get away get away!
My head is in the clouds though my feet are on the
ground
Gotta get down and get away get away!
Dreaming of a life far away from here
What a crazy idea get away get away!
Have you ever thought how easy it could be
If you were someone else get away get away!

WOULDN'T IT BE GOOD TO GET AWAY GET AWAY! [x4]
Ooooh get away...

WOULDN'T IT BE GOOD TO GET AWAY GET AWAY! [x3]
WOULDN'T IT BE GOOD TO..
