This... ain't no... happy... Family!

(Verse 1)

You call this love. I call this pain (burn a hole inside of me! )  
Please go away, I need me here (we're fair as what we used to be! )

(Bridge)

I know I'll never be the one who haunts your dreams.  
It don't exist to me (I'm sorry)  
I wonder if you'll see, when reality finally kicks you in your teeth (I'm sorry! )

(Chorus)

This ain't no happy family  
This ain't no happy family  
This ain't no happy family  
And I'm tired of pretending as it crumbles all around me

(Verse 2)

I'll never know what makes you say (the fucking crazy things you say! )  
Push me away, pull me back in (you're fucking with me every day! )

(Bridge)

I know I'll never be the one who haunts your dreams.  
It don't exist in me (I'm sorry)  
I wonder if you'll see, when reality finally kicks you in your teeth (I'm sorry! )

(Chorus)

This ain't no happy family  
This ain't no happy family

This ain't no happy family  
And I'm tired of pretending as it crumbles all around  
me

(Verse 3)

You call this love, I call this pain (burn a hole inside of  
me! )  
Please go away and leave me here (we're fair as what  
we used to be! )

(Bridge)

I know I'll never be the one who haunts your dreams.  
It don't exist in me (I'm sorry)  
I wonder if you'll see, when reality finally kicks you in  
your teeth (I'm sorry! )

(Chorus)

This ain't no happy family  
This ain't no happy family  
No, this ain't no happy family  
When one minute you are leaving and the next you say  
you love me.
