I got a spiderman t-shirt  
I got Converse that are rotting off my feet  
I got a bad mustache  
A reoccurring rash  
And not a lot of cash  
I spend it on my stash  
Man it's good to be a geek

Well it's good to be a geek  
It's good to be a creep  
It's good to draw my pictures  
That no one will ever see.  
It's good to be a geek  
It's good to be unknown  
It's good I'm never waiting  
Right beside the telephone  
Cuz no one ever...

I play dungeons and dragons  
I got a 13th level halfling fighter thief  
Got seven hit die on my backstab  
Sometimes you know it's good to be a geek.  
It's good to be a geek  
It's good to play the freak  
It's good to comb my mullet once every other week  
As far as I can see  
It's good to play the Wii  
Then stay up painting miniatures til 2 or 3  
Cuz no one ever...

[Chorus:]

Someday I'll learn to play guitar  
Start up a band and be a star  
And when you wind up pumping gas  
Just fill 'er up and kiss my a\$\$...

I'm addicted to Star Trek  
I'm a Klingon speaking federation freak  
I find I'm more inclined  
To spend the bulk of my time  
On the starship enterprise  
Than talking to girls I meet

Well I never get the girl  
But I like to be alone  
Cuz I can always m@sterb@te when there's no one  
home  
It's good to have a plan  
It's good to be the man  
It's good to download p0rn0 from a website in Japan  
Cuz no one ever...

[Chorus:]

Someday I'll learn to play guitar  
Start up a band and be a star  
And when you wind up pumping gas  
Just fill 'er up and kiss my a\$\$...

Ninth grade is when I got the swirlie  
Tenth grade is when I got the indian burn  
Four years of continuous wedgies  
Wore nine pairs of briefs so they could all get a turn  
Someday I'll buy a fancy condo  
Someday I'll drive a car that's more than your house  
Someday you'll kiss my a\$\$

It's good to make some noise  
It's good to scream outloud  
It's good to feel immortal  
Like your last name is McCloud  
It's good to be a geek  
It's good to be unseen  
It's good to watch the Wrath of Khan on a plasma  
screen  
It's good to be a geek  
It's good to be the man  
It's good to download p0rn0 from a website in Japan  
It's good to be a geek  
It's good to be unknown  
It's good I'm never waiting  
Right beside the telephone  
Cuz no one ever...

I got a bad mustache  
A reoccurring rash  
And not a lot of cash  
I spend it on my stash  
Man it's good to be a geek  
You know I've gone in debt  
To look like Boba Fett  
I got my Holland set  
Although it makes me sweat  
Man it's good to be a geek!
