I can not believe I'm really here  
Soon I'll wake up and disappear  
And you'll pretend to love me madly  
Cause I want you so badly

And when you finally fall and touch the ground  
You'll just pretend I'm not around  
Until I kiss your lips so sadly  
Cause I want you so badly

I wish that I could say that I don't care  
You're broken past the point I can repair

I'm thinking my head might explode just waiting here  
upon the shelf  
And you can't love me back if you're too busy trying to  
kill yourself  
I'm taking my heart back with all it's holes and scars all  
over it  
And then I'll probably give it back to you  
Cause I'm an idiot  
I'm an idiot

Well...

If I cut my heart out of my chest  
Would you put it with all the rest?  
Just wipe the knife and thank me kindly  
Cause I want you so blindly

I wish that I could say that I don't care  
You're broken past the point I can repair  
I'm running out of reasons I've made up  
For me to stick around

Cause how your living your life,  
Your next night spent might be underground  
Sometimes you're like a hole I can't escape  
I can't get out of it  
And even if I could I'd fall back in  
Cause I'm an Idiot

I'm thinking my head might explode just waiting here  
upon the shelf  
And you can't love me back if you're too busy trying to  
kill yourself  
I'm taking my heart back with all it's holes and scars all  
over it  
And then I'll probably give it back to you  
Cause I'm an idiot  
I'm an idiot
