Look in my face Tell me lies
All the honey dripping from your mouth is meaningless
with all the buzzing
Flies
I was in love I was a fool
And now I'd like to put a bullet in your head and leave
you in a pool
You tell me that I'm crazy You say I'm not stable. Maybe
I'm a psycho
If you don't like it then get away from me
So now I know Lickety-split
And then you fill my head with all this I was at the
movies bullshit
So hurry along Don't be late
Your tongue is like a worm like a worm in a raven face
You tell me that I'm crazy You say I'm not stable Maybe
I'm a psycho
If you don't like it then get away from me
Tears tell the truth in your eyes

I'm not your Super Nice Guy and I'm beginning not to
care
I don't want you I don't need you
N - o - n - o - n - o - n - o
I don't want you I don't need you
N - o - n - o - n - o - n - o
Cause I don't give a fuck I don't want you anymore
I don't give a fuck I don't want you anymore
I don't give a fuck I don't want you anymore
I don't give a fuck I don't want you anymore
I don't give a fuck!
I don't give a fuck!
I don't give a fuck!
Tears tell the truth in your eyes
I'm not your Super Nice Guy and I'm beginning not to
care
I don't give a fuck!
I don't give a fuck!
I don't even care
