I've been kickin' it around in this same old town for too long

Yeah, way too long

I'm tired of gettin' down to the same old sound of the same song

Yeah, the same old song

Pushin' everything to the limit

Yeah, I know what I want and I know how to get it

I'm ready so let's go

Full speed ahead and I'm taking control

I'm ready so let's go

Take your best shot

Take your best shot

Because I'm Ready

Yeah, I'm Ready

So let's go

I've been givin' into fears and grindin' my gears for too long

Yeah, too many years

Hidin' underground just waitin' to be found now I'm head strong

Provin' everybody wrong

The past is gone and we can't relive it

I've had all I can take now I'm ready to give it

I've been waitin' so long

Bring it on

I'm ready so let's go

Full speed ahead and I'm taking control

I'm ready so let's go

I'm bringin all that I got and I want you to know

That I'm ready

Yeah, I'm ready

So let's go
