I like the shape of your lips
I like the shake of your hips
And I'm dying for a kiss from you
Yeah, its true

I like the way that you move
You're all sexy and smooth
Tell me what I gotta do to be with you
And I'll do it baby

She's a rocker
She's a roller
Gotta love her but you can't control her no
She's a rocker
A rock n roll machine
Yeah, you know what I mean

I like your sexy little smile
Your little rock n roll style
You know you're drivin' me wild tonight
But thats all right

I like the way that you feel
Sweet love in high heels
You got me spinnin' my wheels for you
Yeah, its true

One night, one kiss
I'll give you something that you'll never forget
Come on baby give me a shot of what you got

One kiss, one night
Ain't enough because you're too damn fine
One of these days, one of these days
I'll make you
Mine, mine, mine
