There's a slow moon rising,
It's shining on your skin.
And the way about it moves me.
I know there's no holding back, no holding back.

Chorus

I wouldn't be a man if I didn't feel like this.
I wouldn't be a man if a woman like you, was anything I
could resist.
I'd had to be from another planet where love doesn't
exist.
I wouldn't be a man if I didn't feel like this.

I can feel passion flowing,
As you fall into my arms,
And the secret way you touch me,
I know there's no holding back, no holding back.

I wouldn't be a man if I didn't feel like this.
I wouldn't be a man if a woman like you, was anything I
could resist.
I'd had to be from another planet where love doesn't
exist.
I wouldn't be a man if I didn't feel like:
Rose me baby whole nightlong,
Soul to soul baby all night long.

I'd had to be from another planet where love doesn't
exist.
I wouldn't be a man if I didn't feel like this.

Baby, baby please.
Go easy on me.

I wouldn't be a man, no.
