(Here's a happy tune)  
A happy tune  
(You'll love to croon)  
You'll love to croon

(They call it Dean's song)  
Hey, you don't seem to understand

(Catchy as can be)  
I must agree  
(The melody)  
The melody

(They call it Dean's song)  
Looks like I'm gonna  
Have to explain this thing

You don't dig this scene  
I'm saying, Dean  
The song is Sam's song

(Sam, you're just a ham)  
But, Dean, here's the scam  
The song was named after Sam  
(Sam who) Sam Houston (ohh)

(May I say with pride  
Where I reside  
They call it Dean's song)  
And that's quite a group  
You have going for you

(There's no bigger choir that you  
Could hire for singing Dean's song)  
They make the Mormon Tabernacle  
Sound like a trio

(Sam, it's plain to see  
That you're put out with me)  
No, I'm not just singing along

(Tell you what I'll do

Since I'm with you  
We'll call it Clyde's song)  
Clyde's song

(Here's a happy tune)  
It's a sweet melody and I'm  
Happy to say it was named  
After me but he's calling it  
(Clyde's song)

(Catchy as can be)  
No, I don't like to beef  
And I'm sorry to say  
The man is a thief  
Cause he's calling it  
(Clyde's song)

(Nothing on your mind)  
There's a lot on my mind  
And I'm standing here  
Saying you're being unkind  
Cause you're calling it  
(Clyde's song)

My Italian friend  
We have reached the end  
(We don't seem to blend)

(Sam, let's compromise)  
Oh, I hear what you say  
But by that do you mean  
That you'll do it your way  
And call it (Sam's song)

Did he say Sam's song  
Let's give the ending a rhyme  
(But don't nobody tell Clyde)  
That the name of this song  
(Is Sam's song)

It's not Irving's song  
(Sam's song)  
It's not even Mona's song  
(Sam's song)

Only thing I know is  
When this record comes out  
It better have Sam's song on it  
Or else you'll get a nasty letter  
From Calhoun and a telephone call too

Hmm, I'm thinking you're starting  
To get dirty down there
