[verse 1]

Listen! I wake up so strong  
The cameras want to get me brushin' my teeth  
Everythin' I do becomes a police matter  
Now, the Biggie is on active duty, is better  
You're weak like a breeze  
Rheum in the eye with an orange drink squeezed  
His click want to see how thousands of dollars dress  
They want to learn to like the best  
Crystal goblets just for breakfast  
Befo' leavin' home I grab my Tech and my Bullet-proof  
vest  
In the garage I'm not sure  
With the wheel I'm gonna burn  
Benz or Bentley - Honda or Harley-Davidson  
Enough conversation  
Learn to blow a Don and a Hennessy  
I'm ready to leave the street

[chorus]

I'm white or black, still I runnnnn New York  
Full of Vitamin C, I runnnnn New York  
Say whatchu want, I runnnnn New York  
Graffiti walls and stealin' Benz, still I runnnnn New York

[verse 2]

It's time for lunch  
Sorry Biggie, the more that is very good  
"My car go!" "Escargot"  
My hight bro!  
Apple Juice and a chocolate cream  
Girl don't worry, I gotta lot of cream  
I'll pass on jewelry stores and that old house  
Hands up! The guys bounce!  
The Biggie villain is heavy with the pocket  
I do Spiderman flyin' high the block  
My drugs don't end, even gotta glock  
That's right nigga!

[chorus]

I'm white or black, still I runnnnn New York  
Full of Vitamin C, I runnnnn New York

Say whatchu want, I runnnnn New York  
Graffiti walls and stealin' Benz, still I runnnnn New York

Full of Vitamin C, I runnnnn New York (haha)  
Full of Vitamin C, I runnnnn New York (yea!)

I'm white or black, still I runnnnn New York  
Full of Vitamin C, I runnnnn New York  
Say whatchu want, I runnnnn New York  
Graffiti walls and stealin' Benz, still I runnnnn New York

[verse 3]  
Ok! Going to watch TV in my crib  
I already gave my message on the street  
Enjoy every minute with a bottle of Hennessy  
I got that Benz special series  
I take the shirt, I take the jeans  
And I take the sneaker  
The oven has a piece of pizza  
Come around the Bonus LP  
I'm not sellin' me  
Good night! Sleep with the angels!  
If you can  
Back with new hitz soon, man  
Motherfucker!...
