[verse - Jim Rampage]

What's the solution to my probl'a?
It's rainin' paper! It's rainin' dollar!
I arrive at black Bentley the Lana bitch wanna holla
You can learn all about my business
To be careful and keep distance
I got hoes seducin' her brass
They're hypnotizin' him to swing the ass
You get to be crazy listenin' to my bass
Let me tell you how much money we get
In proportion as you eat, we make newshit
That bracelet of platinum doesn't shine more
My glock told me to kick the door
The gold is right there on the dance floor

[chorus - Bigg Sound]

What? What?
I said (said), I said, I said what?
What nigga?
What? What?
Who will be the killer?
What? What?
I said (said), I said, I said what?
What? What?
I said (said), I said, I said what?

Bigg Sound: FUCK THIS SHIT! (oh nigga!)

[verse - Rick Slim]

Jim Rampage gave tips on how to get the money
It's rainin' paper! It's rainin' money!
Pat, open a smile!
There's nothin' betta than a sunnyday
I kept money in sock
Today I put the money in Switzerland
I traveled with eight bitches to Cayman Islands
I haven't good memory!
As a kid I had no support mentally
Money was necessary
Girl, don't do the kind scary
Baby, I'm like Achilles tryin' to have sex with you
Don't want to give you a boo

Whatchu want from me?
I want to use! And you want me!

[chorus - Bigg Sound]
What? What?
I said (said), I said, I said what?
What nigga?
What? What?
Who will be the killer?
What? What?
I said (said), I said, I said what?
What? What?
I said (said), I said, I said what?

Bigg Sound: FUCK THIS SHIT! (oh nigga!)

(oh nigga!) (oh nigga!)

(oh nigga!) (oh nigga!)

[chorus - Bigg Sound]
