[verse 1]

We chose our style
Moves well baby
Leavin' the club on fire
Leavin' my niggaz crazy

Listen!

I got money
Just slap honies
She finds so seductive
She tells her friends that I'm so funny

So, so we're back
I'm going, going, to the club, club
They are burstin' with Biggie Thug
Hidin' his face from under the hood
Holdin' the glock I'm so good

[chorus]

Move around with Biggie
Just dance now
[* Beat *]

[verse 2]

I'm runnin' behind what is mine
The limit is no mo' the sky
It's my time nigga, it's our time
She wants D&G, Prada and Chris Dior
I just want one thing, be a rapstar
Get ready to smoke
The club is boilin'
I noticed! His gun smoke! His gun smoke!

Forever I'll be Biggie
I'll never be ready to death
Now, I became the "Kinggie"
No one in my gang want to die
Huh, they are ready to fly

Let rise in life, we're gettin' up
Hands up, don't stop listenin' to me
Come on! "Make up to break up"
No mo' peace? "My niggaz need to wake up"

[chorus]

Move around with Biggie
Just dance now
