[intro: Biggie Sound]

Go pullin' air nigga!

T.B.S. Thug

[Rick Slim]

Ambition of the good life

Come to fight, O after O

Led us to a nice-day in tha snow

Skippin' like Ali our hearts froze (aww)

In jewelry the niggas look at us

Deep down they dream

I wanted to be like that nigga that Benz

Me? Don't know much about this game

I know because her granny felt that pain (yea!)

R. Slim with that Ak

I gotta loaded clip and a semi-automatic spray

Yeah!
