[Biggie talkin']

Yo niggas! Ready to hell?

You'll be in danger!

C'mon!

[verse 1: The Biggie Sound]

In Colombia I show my power

Nina can tell you how my material

Lookin' at the sky you'll know who's Imperial

Cockin' my glock

Escobar was often on my block

Don't be stupid nigga

I get the money, I'm hittin' his niggas

In the glow of the stock

I got bitches fuckin' his gang

I found in tha mangroves, in tha mud, in tha gutter

Breakin' the bottle, I'm the betta

The rap's prodigy goes to show you the Beretta

I'm pickin' up all ya cheddar

Yo Jim, tell them what I do

[Jim Rampage]

"Hit them until they're completely blue"

[\* gun cockin' \*]

[\* lullaby in the background \*]

[verse 2: Jim Rampage]

Money revives the dead

Your nose runs while load my clip

Wanna to bet that I'll not slip

I'm over his girl wit' my dick

Breakin' the bar wit' those guys who laughed witcha

I gotta Calico, you want to getcha

You don't know what's my business

Keep a distance

I'll pluck his guts and you turn upside low

TBS detonates like nitro

[\* gun cockin' \*]

[\* lullaby in the background \*]

[verse 3: J. Glock]

Look! J. Glock cockin' the glock  
They've already hit my shoulder  
But guess who run the block?  
Just hear the girls saying "J. Glock you hot"  
I played ice in the w-cup, I'm still on the grind  
My crack on my mind, my money on my mind  
When rockin' the black deep  
You know that I put ya baby to sleep  
Pullin' gun, firing in your head  
You felt my flow  
When you leave my show, you contributed the dough  
Oh! hey! Oh! Oh! my fo'-fo' blow  
You're in my sights! I'm ready to go!  
Yeah!

[\* gun cockin' \*]

[\* lullaby in the background \*]

[\* shots \*]

[J. Glock talkin']

His niggas didn't even know how to cock!

You out the world!

'Cause we're gettin'!
