[chorus]

Everybody like my fluid
Everybody have do it (oh)
Everybody like my music

C'mon! Yeah! Yeah!

[verse 1]

'Cause you can do it
Nah, like me, but his way
Everybody waitin' for a summer-day
Kids playin' and men jumpin' of high bridges
Bullets that fly by sky
A rock jungle with many niggas ready to die
And others that dreams are fly
In high school, they just wanna be someone
Listenin' the ghetto voices and shots of gun
When the sunlight appear
His eyes shined and you'll understand the street
You'll two choices and only one right path
I wanna the better to you
You wanna the better to New York too

[chorus][2X]

Everybody like my fluid
Everybody have do it (oh)
Everybody like my music
(oh.. oh.. oh)

[verse 2]

In my Benz only plays gangsta's rap
In your head only plays gangsta's rap
In the hood you walk
But, no realize that's in New York
The life is thug and you're bein' watched
Distracted, thinkin' only in Benz's and Maybach
The life ain't just that goes on in his cap
It's like that! People dissappear and others appear
Me? I stay here
Thinkin' how spendin' my paper
'Cause I'm a playa
Makin' letter and get the scraper

So call me boss
I'll pass by life without loss
If I'm talkin', only listen
'Cause I'm in power position

[chorus][2X]
Everybody like my fluid
Everybody have do it (oh)
Everybody like my music
(oh.. oh.. oh)

[bridge]
Yeah!
Make money, make money, money, money
Take money, take money, money, money
Get the money, money, money, money

[chorus][2X]
Everybody like my fluid
Everybody have do it (oh)
Everybody like my music
(oh.. oh.. oh)
