[intro - Big Sound]

Huh-huh

This's the gang of evil! Yeah!

Loco Thug! Com'on!

[verse 1 - Big Sound]

I can spend the day shootin', smokin' and fuckin'

Tuesday, thursday, friday, everyday

I need a drink, I need a Tanqueray

I'm the lamp-genie, I'm the gangsta street

You think you know everythin' about me

We got money and a lot of bullshit

Where your nigga pussy?

Yeah we'll hunt them, we shake them

Big Sound and Loco Thug

We're rockin' with your club

The mysterious girl sits down and shake my dick

Baby you're a bitch!

[chorus - Big Sound][2X]

My life...

My life...

My life...

We're rockin'!

Puttin' it all down

You'll see what we do around

[Big Sound] Com'on Loco Thug

[verse 2 - Loco Thug]

Let me

I'm not Mexican! I'm from New York

My life

It's the basis of naked girlz and Johnnie "Walk"

I'll introduce you to my honey team

No dream, the reality of the broken niggaz

What's newshit? Let's shake the club

60 bottles Hennessy! It's the Loco and Big Sound Thug

My life

No girls, no bottles, no smoke

Would be in the hospice

Now take note, I release marijuana smoke

Loco for senator, I want your vote

[chorus - Big Sound][2X]

My life...

My life...

My life...

We're rockin'!

Puttin' it all down

You'll see what we do around

[Big Sound talkin']

Haha

Biggie and Loco Thug

Representin' the slums and mansions of New York

T.B.S Records

Ladies and gentlemen

The gangsters is on the streetz!
