

## **The Biggie Sound "Forever Friendz"**

Visit "[Forever Friendz](#)" on MotoLyrics.com

[chorus: Bigg Sound][2X]

We're friends, we're forever friends  
Rampage in poker, J. Glock wit' the Gin  
We're friends, we're forever friends  
I'm the new Bigg, a hug Rich Slim

[verse1: J. Glock]

Everythin' here is our way  
Bring your buddy and let's play basketball  
They leafed c-notes when we were at the mall  
Called me a bastard, but I'm in  
Wit' bottles of Gin, the money is comin' in  
The party never ends early  
Since this century began we're crazy  
We went through danger action  
Any white-boy who reared up the nose for us  
Would know our class 'cause we're dangerous  
Shootin' like fanatics, and you screamed like a  
scandalous  
Putting the drippin' in i's, this'll be your end  
Because we're forever friends

[chorus: Bigg Sound][2X]

We're friends, we're forever friends  
Rampage in poker, J. Glock wit' the Gin  
We're friends, we're forever friends  
I'm the new Bigg, a hug Rich Slim

[verse2: Jim Rampage]

We can't forget the childhood homies  
All idolized his heroes and they loved their mommies  
Hug to Chris Jack  
Greetings to the Bronx niggas  
Kiss to Cadence and hug to the southside niggas  
We can't forget the niggas on the block  
Davis "the catcher of pussy", Hug O. Breeze  
Believe me, Each loyal nigga has won a Bentley  
Friends we'll take to the sky  
We'll be together until we die

[chorus: Bigg Sound][2X]

We're friends, we're forever friends

Rampage in poker, J. Glock wit' the Gin  
We're friends, we're forever friends  
I'm the new Bigg, a hug Rich Slim

[verse3: J. Glock]

Eight years old already figured out the distance  
We already knew our victims  
Years passed, and you know our business  
We got the guns, today distribute our rhymes  
Handfull of platinum, Rolex watch shines  
Rick Slim doesn't know lesa  
Try duelin' with MC Quita  
She'll wreck, it will take you down  
The Bobby Shaw's music ignites the town  
Here we go  
T-B-S-J-G-J-R-R-S, it's T.B.S. Thug  
Hello NY!

[chorus: Bigg Sound][3X]

We're friends, we're forever friends  
Rampage in poker, J. Glock wit' the Gin  
We're friends, we're forever friends  
I'm the new Bigg, a hug Rich Slim
