[Biggie Sound]

Connectin' the digital Network
We trippin' the world
We know interestin' girls
Crystal Bentley now, black Lotus now
Mr. Kardinall singin' wit Big Sound
Southside and Westside
You don't know the rap-side and crack-side
Until late, the fellas are so high
What the fuck, the niggas are ready to buck
Get up around, it's time to wake up!

[chorus: MC Quita][2X]

Dark towns and bustlin' towns
Everybody just wanna dough
Kardinall and Big Beat, here we go!

[Kardinall Offishall]

Hello! I was aware Copa
Overdose of guarana and Coca
The sound get in the ear of the people
C'mon! My rhyme is lethal
Mo' money! Get the money!
I want to call her
To see New York
And enjoy a little of my dollar
Put my tape
I'm in swimmin'-trunks on my boat
Tanqueray or Hennessy, plannin' the next coup
Cuz' we want more dough

[chorus: MC Quita][2X]

Dark towns and bustlin' towns
Everybody just wanna dough
Kardinall and Big Beat, here we go!

[Kardinall Offishall]

Save Notorious!
No out of line
Cuz' we're dangerous
Baby rippin' clothes, no clothes for me
I'm Mr. Kardinall rhymin' wit B.I.G.G.I.E
Pick up the phone

Yeah! New York! New York!
My money is looooong
I gotta Alysia in the harbor
I got business wit Hamad Al-Razine
Here we go again
Come Le Blanc, come Benz
This can only be a dream
C'mon nigga!

[Biggie Sound talkin']
Kardinall!
Yeah..
Biggie! Flying high! (ha-ha)
