[chorus: Biggie Sound]

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

[verse 1: Rick Slim]

J. Rock hit his shoulder, left leg and finger  
He fell, he fell into depression  
He fell headfirst into crime  
His constant companion was a 9mm  
Those dirty tramps wanted to play him in hell  
Offered him a razor, they wanted to steal his crown  
A chain was not enough, O. paid his bail  
Yeah, he came back determined to overcome the rats  
He was ready for the worst and raised their flags  
Now I know that God heard her prayers  
His opportunistic niggas wanted to get my paper  
He's like a drill and drill his layers  
Believe me, I gotta bomb for you Jimmy  
His niggas are lyin' in wait to see it  
You're not kook  
That nigga with a black cape and a hook  
It was the Bigg, note these tactics on his book  
The effects will be drastic  
So check it! it's Mr. Fantastic

[chorus: Biggie Sound]

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

[verse 2: Biggie Sound]

Believe me, I have not forgotten  
I have parole  
I don't judge you for your cars and clothes  
Yes, by their actions  
I have to face bitch Rock, to my satisfaction  
I need to resolve some questions  
Before the goodbye!  
You have to give me an reply  
Think before you answer and you're ready to die  
He walked wit' me in high school  
How were you able to stab me  
Today has photos and a reward for you on my hood  
Look! I got dogs sniffin' for you, so look!  
Wanted to sever my voice  
Left me no choice  
But it got out of mud  
You saw nothin'! This's just a dud  
I'm doing a cut  
Let us settle this rivalry, I'm well trained  
I had time to think and forces were gained

[chorus: Biggie Sound]

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

[verse 3: Biggie Sound]

Idealizin', writin', playin'  
Reapin' the diamonds, enjoyin' success  
His gang is sayin' I'm the best  
Different day and different car  
They wanted to punish me  
And now I'm hittin' his niggas pussy  
It will not be sclerotic  
Your girls are so erotic  
His life isn't worth beans you eat  
My music will bring heat

After the last trip to Denver  
I gotta new crib  
I fucked up his girl in the manager's chamber  
A temptin' and sassy girl, Kysha, remember?  
Yeah, I'm back  
I made the guys rip her contract  
Returnin' to the street  
I'm the Bigg and I'll reduce you to chick

[chorus: Biggie Sound]  
Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me

Only God can hear me  
So don't judge me  
I've sweated in this life, believe me
