[verse1: Bigg Sound]

I love New York

Every Saturday at the barbershop we doing smoke

During the week plannin' the stroke

Throw away! Throw away! Runnin' from the police

Check it! Hello Mexican? Now give me!

I'm like GSP, the girls call me nigga gorilla

Pointed the gun at me and pulled the trigger

You're trembling? "Get The Dollar" isn't for you nigga

Killa kills killa, so be a killa

Your turn to talk!

I cannot hear his voice echoin' through New York

[chorus: Bigg Sound]

Going back

We don't think the contract

I would have hit his head

I would have left his bed completely red

GOING BACK!

[verse2: Jim Rampage]

So listen! It's my time!

Fuck with 'em Rich!

Check it in my sneakers, comin' home after another
bitch

Going back! A pistol was between me and my contract

Shot the Rock! Shot the Dway!

I'm hungry? Not today

Nah, I don't know who'u blew nigga

I know that was the killa

Flight to Cali, flight to Rome

My respect on the street has not changed

Now I gotta private jet, but I got the same name

I'm still wit' T.B.S. Thug fuckin' your mo'fuckin' game

[Biggie Sound]

What? What?

One more time!

[Jim Rampage]

My respect on the street has not changed

Now I gotta private jet, but I got the same name

I'm still wit' T.B.S. Thug fuckin' your mo'fuckin' game

[chorus: Bigg Sound]

Going back

We don't think the contract

I would have hit his head

I would have left his bed completely red

[verse3: Biggie Sound]

Hug to J. Glock

50 Cent is welcome to my block

I try to do somethin' like

I still remember my bike

In the main avenue for exchangin' ideas wit' Cadence

What? Speak up!

Speech New York! Mom said to stand up

Where is my paper? I'm comin' back

I'm taking wit' me my gat

A Benz, a ninja cap

New York will always be the Biggie Smalls crib

Here the sound will always be present on the street

[chorus: Bigg Sound]

Going back

We don't think the contract

I would have hit his head

I would have left his bed completely red

Going back

We don't think the contract

I would have hit his head

I would have left his bed completely red

GOING BACK!
