[intro: Biggie Sound]

Thugz..

Some epic, somethin' special will happen

Rick Slim (woooooooo)

[chorus: Biggie Sound]

At the end of the rain when the sun out

Baby, I want to admire his smile

When you see me go in your town, puttin' it all down

Baby, I want to admire his smile

When I show you my style, and you hear bells

Baby, I want to admire his smile

Make way to Rich Slim and The Biggie Sound

Baby, I want to admire his smile

[verse 1: Rick Slim]

Listen! I'll turn sound her

Picked up some bottles for leave around her

I want to see smile her (yea!)

Rick Slim singin' a rap shit

Have you shot those bitches

Come straight to my luxury' crib

I'll take you to the heaven you leave it with heat

Good evenin' to my baby momma

Come to my room cuz' I don't know drama

Gasps and screams will alert the hood

I look like a gentleman when we go to Hollywood

Yeahhh!

[chorus: Biggie Sound]

At the end of the rain when the sun out

Baby, I want to admire his smile

When you see me go in your town, puttin' it all down

Baby, I want to admire his smile

When I show you my style, and you hear bells

Baby, I want to admire his smile

Make way to Rich Slim and The Biggie Sound

Baby, I want to admire his smile

[verse 2: Rick Slim]

I did not mind visitin' in jail

Although you can't see his smile

One day, you can again see the sunlight
B.S.: "My nigga out"
Turn to night in style (ha-ha)
With black clothez and black capz
Flyin' those Maybach's
Mo' before I pass an old house
Visitin' an old friend and kiss that mouth (yea!)
Not seein' the color of his eyes would be so elf
Now I can parade on the block
Overflowin' with my fluid and bouncin' with my glock
(Own)

[chorus: Biggie Sound]
At the end of the rain when the sun out
Baby, I want to admire his smile
When you see me go in your town, puttin' it all down
Baby, I want to admire his smile
When I show you my style, and you hear bells
Baby, I want to admire his smile
Make way to Rich Slim and The Biggie Sound
Baby, I want to admire his smile

[Biggie Sound talkin']
I had no notion of missin' his smile
Good evenin' ladies!
C'mon! T.B.S. Thug get the dollar! (ha-ha)
