[intro]

C'mon man! Bring the money!

Yeahhhhhhhh

[\* coins fallin' to the ground \*]

[verse]

Put the gun in his mouth, can you actually talk now?

I'ma warrior, dirty version

Motherfucker I'll show you the green hell

Swallowin' the steel, suck the hot pipe, nigga pussy  
down

Makin' crimes, strikin' his gang

A LIL' HENNE AND WE'LL BE INSANE!

You can? You can't!

Live day-to-day in the Bronx and we don't understand

This's the rhythm of our FUCKIN' GAME!

Explodin' brains, our rhymes playin' in the air

His hair will bristle when they hear our hole

I'm like Vin Diesel and I'M DYIN' TO EXPLODE!

His Benz, his bike, his chest, his face

No escapes me, I'll shrapnel until late

Eenie meenie miney mo and I keep gunnin'

You can already feel that I'm comin'

[chorus][2X]

I'ma warrior, dirty version

Motherfucker I'll show you the green hell

Swallowin' the steel, suck the hot pipe, nigga pussy  
down [[down]] [[down]]

[Biggie Sound talkin']

Hey nigga!

I was in the same chain that Prince James

Today I gotta lot of money

Try to be like me (ha-ha)
