[The Biggie Sound]  
C'mon man!

[verse 1: Biggie Sound]  
You see 'em back in the hood  
Take a look at how my lifestyle changed up  
My money get up  
Listen nigga! Her number was up  
Shootin' niggos, I went to the next level  
Wantin' to make a hit like Milo (yea!)  
How can I gotta Bentley GT?  
If you haven't made a show in the DC  
I earned mo' money what Steven in E.T.  
Explode the his baby momma's crib  
Gotta be careful! J.K. denounced O. Beeze  
So I'm tryin' to fuck the police (c'mon!)  
"So I gotta keep the fo'-fifth with the safety button"  
Gotta get the money  
Yeah, any motherfucker can be so funny  
So I put my niggaz on it

[chorus: 50 Cent]  
Listen nigga I came to do what I do  
Talk of my sound, nigga down

Listen nigga I came to do what I do  
Talk of my sound, nigga down (Officer down)

[verse 2: Biggie Sound]  
Money made me a boss  
Damn!!!!  
You're poorer than my shadow  
No escape, you have maturity (no!)  
Who told me was my mind  
You would be just another one of my crimes  
His neck combines with the asphalt gray  
His girl combines with my Lambo gray  
Her teeth flew  
You don't hit me and I hit his crew  
Let me tell you, let me show you  
You laugh at me till you see me boil (huh!)  
Don't believe these guys around

'Cause when I shoot, see your niggas down

[chorus: 50 Cent]

Listen nigga I came to do what I do

Talk of my sound, nigga down

Listen nigga I came to do what I do

Talk of my sound, nigga down (Officer down)

Yeah!

[verse 3: 50 Cent]

Yeah..Feds try to incriminate me

His niggas try to intimidate me

That motherfucker shot in D. Jones

That fuckin' pipe will shatter your bones

Tonight I hit his bitch, I love this motherfuckin' game

9 caps not stopped me (yo-yo), Em exploded chain

Biggie doesn't show his face (yeah)

But I know who threw in his nigga

I killed the sucker fucked Levar

At the snap of the fingers I roll the reefer

I used to play card games with Yay'

Now I worry about playin' it on the hell way (ha-ha)

[chorus: 50 Cent]

Listen nigga I came to do what I do

Talk of my sound, nigga down

Listen nigga I came to do what I do

Talk of my sound, nigga down (Officer down)

[50 Cent & (Biggie Sound) talkin']

Yo Biggie, I think they understand! (ya!)

How's that motherfuckin' game
