[* piped background *]

[Jim Rampage]

I got to got it

I know I can got it!

[chorus: The Biggie Sound]

I know you know

I already know you know

I got what I want

I got to got it

I got to got it

[verse 1: The Biggie Sound]

Card sellin'? I'm buyin'

After Biggie's death should be buyin'

some lots in the sky

I want to listen up! I'm so high!

You ask why...ha-ha...I'm not shy!

Lord how many horsepower?

Can I pay you with the powder?

Check it! Today I woke up with a asian bitch

My brain is fryin' like an old switch

My money comes, it comes to bitches

Raises his hand up high who's doped

Emptied my clip...I'm ready to load it!

[chorus: The Biggie Sound]

I know you know

I already know you know

I got what I want

I got to got it

I got to got it

[verse 2: The Biggie Sound]

What do I need?

I got to got it tonight

I know I'll not take these things to the next life

My long dough, condom

It will be important in London

Answers at the tip of my tongue

Poisons runnin' down my songs

Baby is ready for Sentex

Come sexy? U wonder if it will be the next

Portin', this's not issue X
The niggaz are askin'
I got to got it? Do we party
We're ready or not to destroy bodies
Explode and shake the whole world
Muddle and kiss all the girls

[chorus: The Biggie Sound]
I know you know
I already know you know
I got what I want
I got to got it
I got to got it

[The Biggie Sound talkin']
That's right nigga, I'm talkin' about!
Check it motherfucker!...
