[intro: Bigg Sound]

Yeah!

Bigg S.

Jim Rampage

C'mon man!

[verse1: Biggie Sound]

I know him man!

I know that his girl looks like Toni Braxton

And his nose looks like Michael Jackson

Why not sit down and talk wit' Chris Jacksonn

I made many millions, I have some questions for you

I had dinner at his crib

Today, I got to show you a fuckin' whip

You had to have disrespected the Bigg S.

Teflon layers on my chest

If you cross my path, I'll let you rest

In peace! What the fuck! I sweat blood blue

I'm attackin' it bit by bit, you thought I was cool

You hit my shoulder, now lurks in the hood

[chorus: Jim Rampage][2X]

Rock, you're my enemy

He was close to my family

No way

He's in my memory

You've changed and now wants to drop me

[bridge: Jim Rampage]

I wanna (wanna) I wanna (wanna)

Blow your brain

Cock my Glock

Pluck your gut and spread throughout the block

[verse2: Bigg Sound]

Said'ey would not listen

I got mac, the mac off, I'm in a position

We're ready for war, ain't in the foxhole

I got tech, Tech off and his heart froze

Get up the white flag, scream 'em: "Ceasefire!"

You moan like the Mickael Mayers

I gotta magnum, the mag' off, the mag' spat

I'll be back and be togetha wit' Chris Jack!  
Mothafuckers!!!

[bridge: Jim Rampage]  
I wanna (wanna) I wanna (wanna)  
Blow your brain  
Cock my Glock  
Pluck your gut and spread throughout the block

[chorus: Jim Rampage][2X]  
Rock, you're my enemy  
He was close to my family  
No way  
He's in my memory  
You've changed and now wants to drop me

[Bigg Sound talkin']  
Enemy... enemies...  
I'll kill y'all!  
Killa be killa! (C'mon)  
Bigg S. forever!  
Jim Rampage  
Chris Jack
