[chorus]

Niggaz tryin' to break our niggaz

(I stay ya)

Niggaz pussy tryin' to become killaz

(I stay ya)

Hey Bobby is with a shit-eatin' grin

(I stay ya)

New brand, mo' money and the girl want me again

(I stay ya)

[verse 1]

My crew are already calculatin' the distance

You're not ready for my business

Hittin' his ligamentz, hittin' his head

You'll know how to be a dead

Slim give somebody a buzz

They come out into the streetz and will invade a bus

Are preparin' pistolz and AK's

Semi-automatic spray - My niggaz like these dayz

Gorillaz nervouz on my block

Is the feast day for the J. Glock

With their ears tuned for the first shot

The street will get hot! Shatterin' his chop

I'm a nigga tryin' to become a playa

I stay ya!

[chorus]

Niggaz tryin' to break our niggaz

(I stay ya)

Niggaz pussy tryin' to become killaz

(I stay ya)

Hey Bobby is with a shit-eatin' grin

(I stay ya)

New brand, mo' money and the girl want me again

(I stay ya)

[verse 2]

Throw in your nigga on that beach

Check ir mo'fucka, is your guy pick up the phone and

You don't understand when we see smilin' nigga
Get the money nigga! I'm so high, I'mma gorilla

A boy who makes rhymes can get this rap shit

The drum turned, the bullet flies! You've fallen man!
