Yeahhhhhhhhhh

Big is comin' back (haha)

[verse1]

I'll be back firing and singin'

I came back worse - I was sleepin'

You woke up the cokeman, the dopeman

Cocaine - My money falls on me like candy rain

I do Big Smallz up - I do 'Pac up

Hands up, I'm the "Big Sound Thug"

I'm flying over you, stand up

They say I'm crazy, talk so much

Those of rap shit don't touch me

I'm still the Big Sound

That comes in your hood rockin'

You're not stoppin' me?

Bitch - Move (move - move) your ass

I'm strong and fast, I'm in town like the gas

[chorus]

I'm comin' back (yea! yea!)

I'm comin' back (yea! yea!)

I'm comin' back (yea! yea!)

The Big Sound is shakin' the town

I'm comin' back (yea! yea!)

I'm comin' back (yea! yea!)

I'm comin' back (yea! yea!)

The Big Sound is puttin' it all down

[verse2]

In high school was shootin' white boyz

Punched in mo'fucka boyz and stupid niggaz boyz

Since those shows already fuckin' bitches!

Today I rap and make my riches

I mirrored the B.I.G.

He enjoyed in his E.Y.E

I threw a stone at the window of the coach

Kicked out! Today I'm at the yacht and the he boat

I never thought very well in my actions

I'mma satisfaction!

[chorus]

I'm comin' back (yea! yea!)
I'm comin' back (yea! yea!)
I'm comin' back (yea! yea!)
The Big Sound is shakin' the town
I'm comin' back (yea! yea!)
I'm comin' back (yea! yea!)
I'm comin' back (yea! yea!)
The Big Sound is puttin' it all down

[verse3]

Now, the rain will falllll
Hennessy, Tanqueray and Johnnie Walllll
The night can't end
I'll start all over again
Now, the rain will falllll
Hennessy, Tanqueray and Johnnie Walllll
Come Bentley and Benjamin's, come Maybach
I play a Tomarock in your home
I'll make an zone
My phone! Doesn't stop me playin' phone
Crack flying around town
Pants fallin' into the house of Sound
The police arrived at his shack!
His crew asks - Mayday! Mayday!
This is my party watered the Tanqueray
The day, the day - The night is the pleasure way

[chorus]

I'm comin' back (yea! yea!)
I'm comin' back (yea! yea!)
I'm comin' back (yea! yea!)
The Big Sound is puttin' it all down... down... down!!!

[Big Sound talkin']

Hey! Hey! Hey!
I went back nigga! Your party is over!
hahaha
