[Big Sound]

Yeah, watch these drinks on fire
Now for all the ladies on the dance floor
I have three dogs to guard the door
I'll introduce myself, I'm "The Biggie Sound"
We meet in the bar 4
Bitches left and pimps everywhere
Biggie once said:
"What we came to do, is not that right boo"
I do sprout diamonds on her neck, I do!
I don't want three, I don't want two
I'll be numba one
Baby take my gun, baby take my gun
Now let's have some fun? Let's have fun?
Let's have fun, smoke some weed
I have many businesses on the street
Straight up honey really I'm askin
I have business in New York
I have employees in New York
My paper come and go
My cars come and go
She sucks with angolan diamonds on the neck
I can no longer go without a bullet-proof vest

[Woman voice & (Big Sound)]

Yea! I like your style!
Big Sound you like my smile?
(You think so)
(I'll take you with me you know - Uhh)

[Big Sound]

Yeah, man I don't call me 'Pac
I don't have jets
But I promise that my life will change
But still remember the names of my friends
You'll now the emergence of a rap'star
You'll see the southside bang
New rhymes, new sound on the street
She like my style, Kelly loves me
Men want to be free
I'm incredible, I'm impeccable
I'mma playa

I play with your life nigga
DJ puts there the sound of Bigga
Yea! The Biggie Sound
Gonna rock this town

[Woman voice & (Big Sound)]

[Big Sound]
Yeah, wake up girl
We're travelin' in a new world (with envy)
I'm the new rap genius
Hoo! Girl you'll be the first to know
When buyin' my first Bentley
Now, producers are listening to my rhyme
Since design my clothing line
I'm now in high
I already have to think in the next hit
What words to use, "danm", "big-house", or "my dick"
This's smellin' a lot of paper
A joke!
"Damn! Niggaz wanna stick me for my paper"
The phone doesn't stop play
Today is the day!
While niggas motherfucker pull a gas
I make paper and beautiful ass

[Big Sound talkin']
This was the first step
Rest in peace Biggie!
