[Big Sound talkin']

Ohh I'm livin' my height

Enjoy with crazy, want to dance baby?

[Big Sound]

My parents gave me education

I'll give you an information

I always love my family

Taught me not to forget the name of my enemies

My girl asks if I'm sleepin'

I dreamin' that I'm singin'

If you fall I'll have people to raise

Yeah I love you, want to dance baby?

Time to repay

How about that house? You can leave that I pay

Baby, I'll give you beautiful precious stones

Now take me home

Father I love you, mom I love you

Flowers for you mother, father, a Lexus for you

Saturdays played the ball

I'm growin', long for the days of small

[chorus - Big Sound][2x]

Today I know for Big Sounnnnnd

I have a new life, the life of bandit Big Sounnnnnd

[\*bring bring\*]

Hello? Hi when I see you my girl

I'll show you the world

I have much love for you J.

I'm crazy! In this life I'm gonna play

Hatred only for niggaz who want to get me

I'm listenin' to Biggie on a crystal Bentley

You can see me? I know you need me

I Look in magazines, websites and TV

The best gift for my brother is a journey

A party at home, and a bottle of Rose

We know how to enjoy life niggaz  
We're on top now, we're the biggers

Girl get up here on the roof  
Need to see who is up here  
Bring me that Hennessy  
Take the money, baby kiss me

[chorus - Big Sound][2x]  
Today I know for Big Sounnnnnnd  
I have a new life, the life of bandit Big Sounnnnnnd

[Big Sound talkin']  
This's just the beginnin'
