Huh! Huh!

[verse]

This's not a rap! Only one scrap!

Word up! T.B.S Thug

J. Glock is shootin' around the block

As I don't sweat a drop

Jim Rampage, talk out there that you're crazy!

Maybe! He doesn't come from inside the Mercedes

The world we live in can not miss Hennessy

In the club or in da crib

Rick Slim a.k.a. Rich Slim

Why is that? He didn't spend so much cream

There's always in one hand a bottle of Gin

Rolex! I'm in the Benzzzzz!

Don't think that publicity

U get it? Biggie!

Don't think that publicity

U get it? Biggie!
